Subject: Supplemental letter - NAHB comment for Docket ID No. EPA-HQ-OW-2020-0008; FRL-10008-96-OW

Dear Ms. Hurlid,

Attached, please find a supplemental letter to NAHB's comments submitted in response to EPA's "Request for Comment Regarding Endangered Species Act Section 7 Consultation in EPA Approval of Clean Water Act Section 404" that were dated July 6, 2020.

I understand that the comment period has ended for this request for comment. However, if possible, please add this letter to Docket ID No. EPA-HQ-OW-2020-0008; FRL-10008-96-OW. I further request that EPA review the letter and consider it equally to comments filed before the submittal deadline.

I would appreciate your confirmation of receiving this message. If you have any questions about NAHB's initial comment letter, or this supplemental letter, please do not hesitate to contact me at ebranosky@nahb.org, (202) 266-8662.

Thank you,
Evan Branosky
